Mar the 5 1908

Miss Kizzy Broddam kine  
friend I wil send your picture  
to you like you told me to  
you ask me when I up there [?]  
to send my Ritering the way  
I want I thought it was the  
best for me to I want go any  
more as I am like I am so I  
wil close of your friend I  
[??] dont want you to think  
bade of me I thought it  
was the best Good by

LG Outlaw

Kizzy I sure did hate to give up your  
picture tho you did want it I thought  
you give it to me when I left you.

I'd be happy to accept corrections to my transcript. I was stumped in several places, but hope I have the essence correct.

Btw, Rite Ring has to do with the Masons, which had a strong presence in Nashville (see Nashville-036). I have not confirmed that L.G. was a mason, unless one accepts this letter as *prima facia* evidence.)

A photo of Kizzie Brogdon, taken about this time, is found [here](#). Kizzie is also found in the Image Database, thanks to Johnny Cooper and Darlene Fortunato.
