

Heavenly Father, this world is not my home;

I am only travelling through.

Do not weep or mourn over my passing

Just rejoice—I am out of all my aches and pains.

I had a wonderful husband,

Three lovely children.

However, you took one to be your little angel in 1943.

I have two wonderful little grandchildren

And an exceptionally good daughter-in-law.

I appreciate all my friends and family,

Who have gone beyond expectation.

I appreciate what everyone has done for me.
